

Technical Drafting Contest

Contest Guidelines

- Are required to bring
 - PC (with monitor and keyboard) or laptop.
 - Licensed CAD software loaded in the PC or laptop
 - electrical power cord to the PC or laptop
 - USB Flash memory stick with a minimum 2GB of capacity
- Are required to save drawings to a PDF file for printing and/or judging.
 - B-size drawings are to be printed to files in PDF format
 - The naming convention of the file is “contestant#-DWG#” (like s999-A99999.pdf).
- It is preferable that a spreadsheet program, such as EXCEL, is available on your PC/laptop.
- No wireless communication, such as using cell phone, during the contest.
- No help or assistance by others during the contest.
- Reference books or manuals are allowed (in book or CD form).
- Official SkillsUSA attire is not required but a good reference for being professional and casual.
- Don't forget your resume...
- To allow time in setting up your equipment, the room will open at 7:00 a.m. on Friday.
