

# Opportunities and Responsibilities of SkillsUSA Iowa State Officer Team

## Opportunities and Responsibilities:

- To attend a new state officer team organizational meeting following the State Leadership and Skills Conference.
- To attend Leverage Training on Saturday, Sunday and Monday morning prior to the National Leadership and Skills Conference in Louisville, KY in June; all expenses paid. This is a great opportunity to develop your leadership skills and make friends across the nation. This is not a required attendance but **very highly recommended**.

**Leverage** is an intensive, two-and-a-half-day leadership experience open to high school and college **state officers**. It provides state officers with high-energy, motivational training that focuses on servant leadership. Officers will learn in a way that's fun and unique to the SkillsUSA experience.

- To plan and facilitate the Fall Leadership Conference.
- To plan and organize the SkillsUSA Legislative Day.
- The opportunity to eat out as a team at a variety of restaurants
- To plan and facilitate the Opening Session and the Awards Ceremony at the State NLSC.
- To attend monthly state officer meetings on Sunday afternoons, starting in September and ending at the State Leadership and Skills Conference.

**Being a state officer has a lot of opportunities and responsibilities associated with it, but the most important is the opportunity to develop and practice your leadership and people skills. There is an old saying that people get a job with their technical skills and people lose a job because they don't have the leadership and people skills. Become a leader. If you can help other people attain their goals, you will be in demand and successful.**
